

Лимонный сок – один из самых популярных ингредиентов, используемых в баре.

Он входит в состав значительного числа коктейлей, лимонадов, горячих напитков.

Лимонный сок необходим в кулинарии:
используется в блюдах из мяса,
птицы и рыбы, в качестве
салатной заправки,
добавляется в супы,
соусы и даже в десерты.

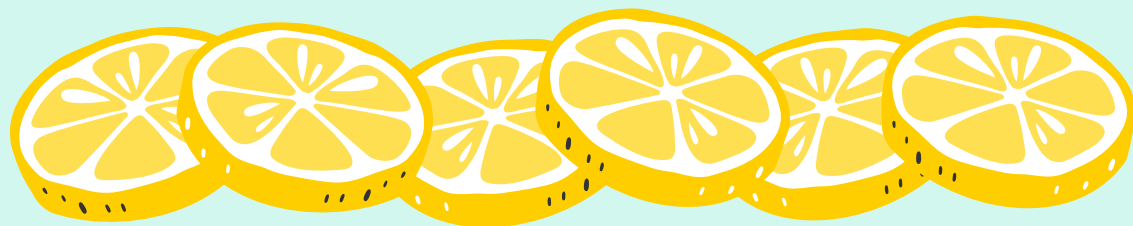

The background is a light blue color. It is decorated with several stylized yellow lemons. At the top center is a whole lemon with a textured yellow peel and a cross-section showing six segments. Below it, centered, is a paragraph of text. Surrounding the text are several circular lemon slices, each showing a cross-section with six segments. There are also small, dark blue leaf-like shapes scattered around the slices.

В барах и ресторанах с высокой посещаемостью
расход лимонного сока достигает нескольких литров,
а иногда даже десятков литров в день.

Лимон Бейз

По вкусовым и ароматическим параметрам
Лимон Бейз полностью соответствует
свежевыжатому соку лимона.

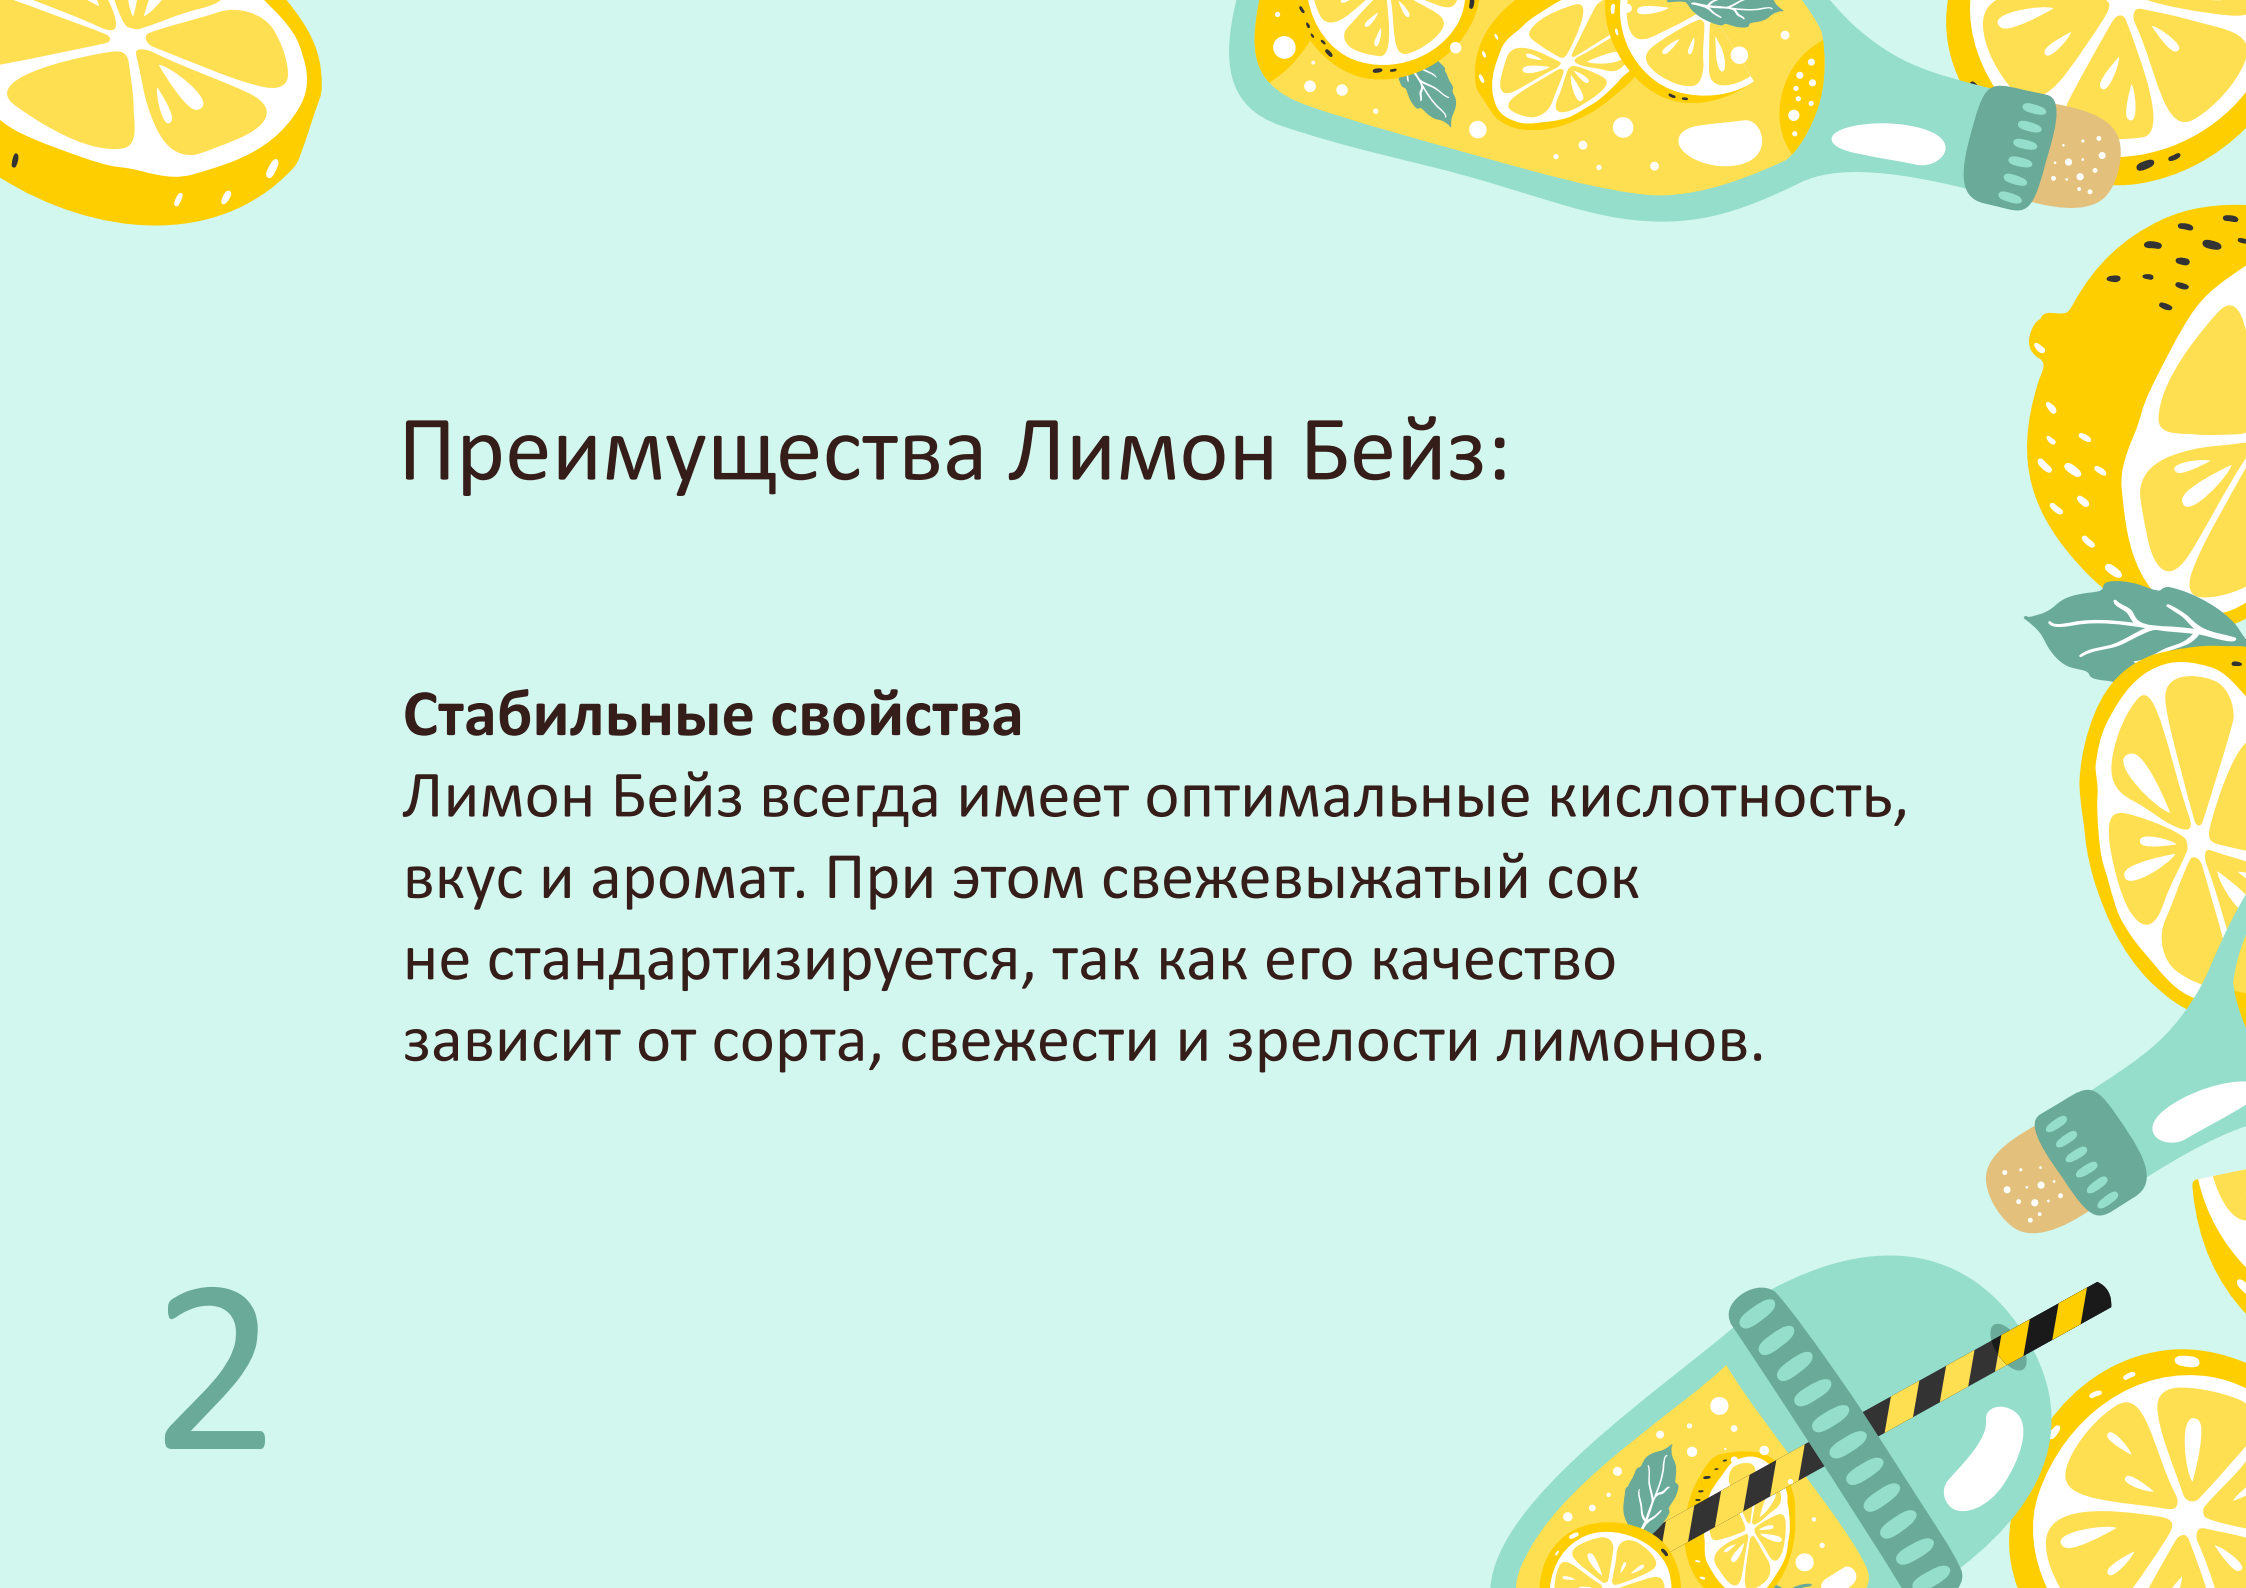

The background is a light teal color. It is decorated with several illustrations of lemons and lemon slices. In the top left corner, there is a large, detailed illustration of a lemon slice. In the top right corner, there is a juicer with a green body and a brown base, filled with yellow juice and lemon slices. On the right side, there are more lemon slices and a whole lemon. In the bottom right corner, there is another juicer with a green body and a brown base, also filled with yellow juice and lemon slices. A black and yellow striped straw is placed in the bottom right corner.

Преимущества Лимон Бейз:

Экономия времени

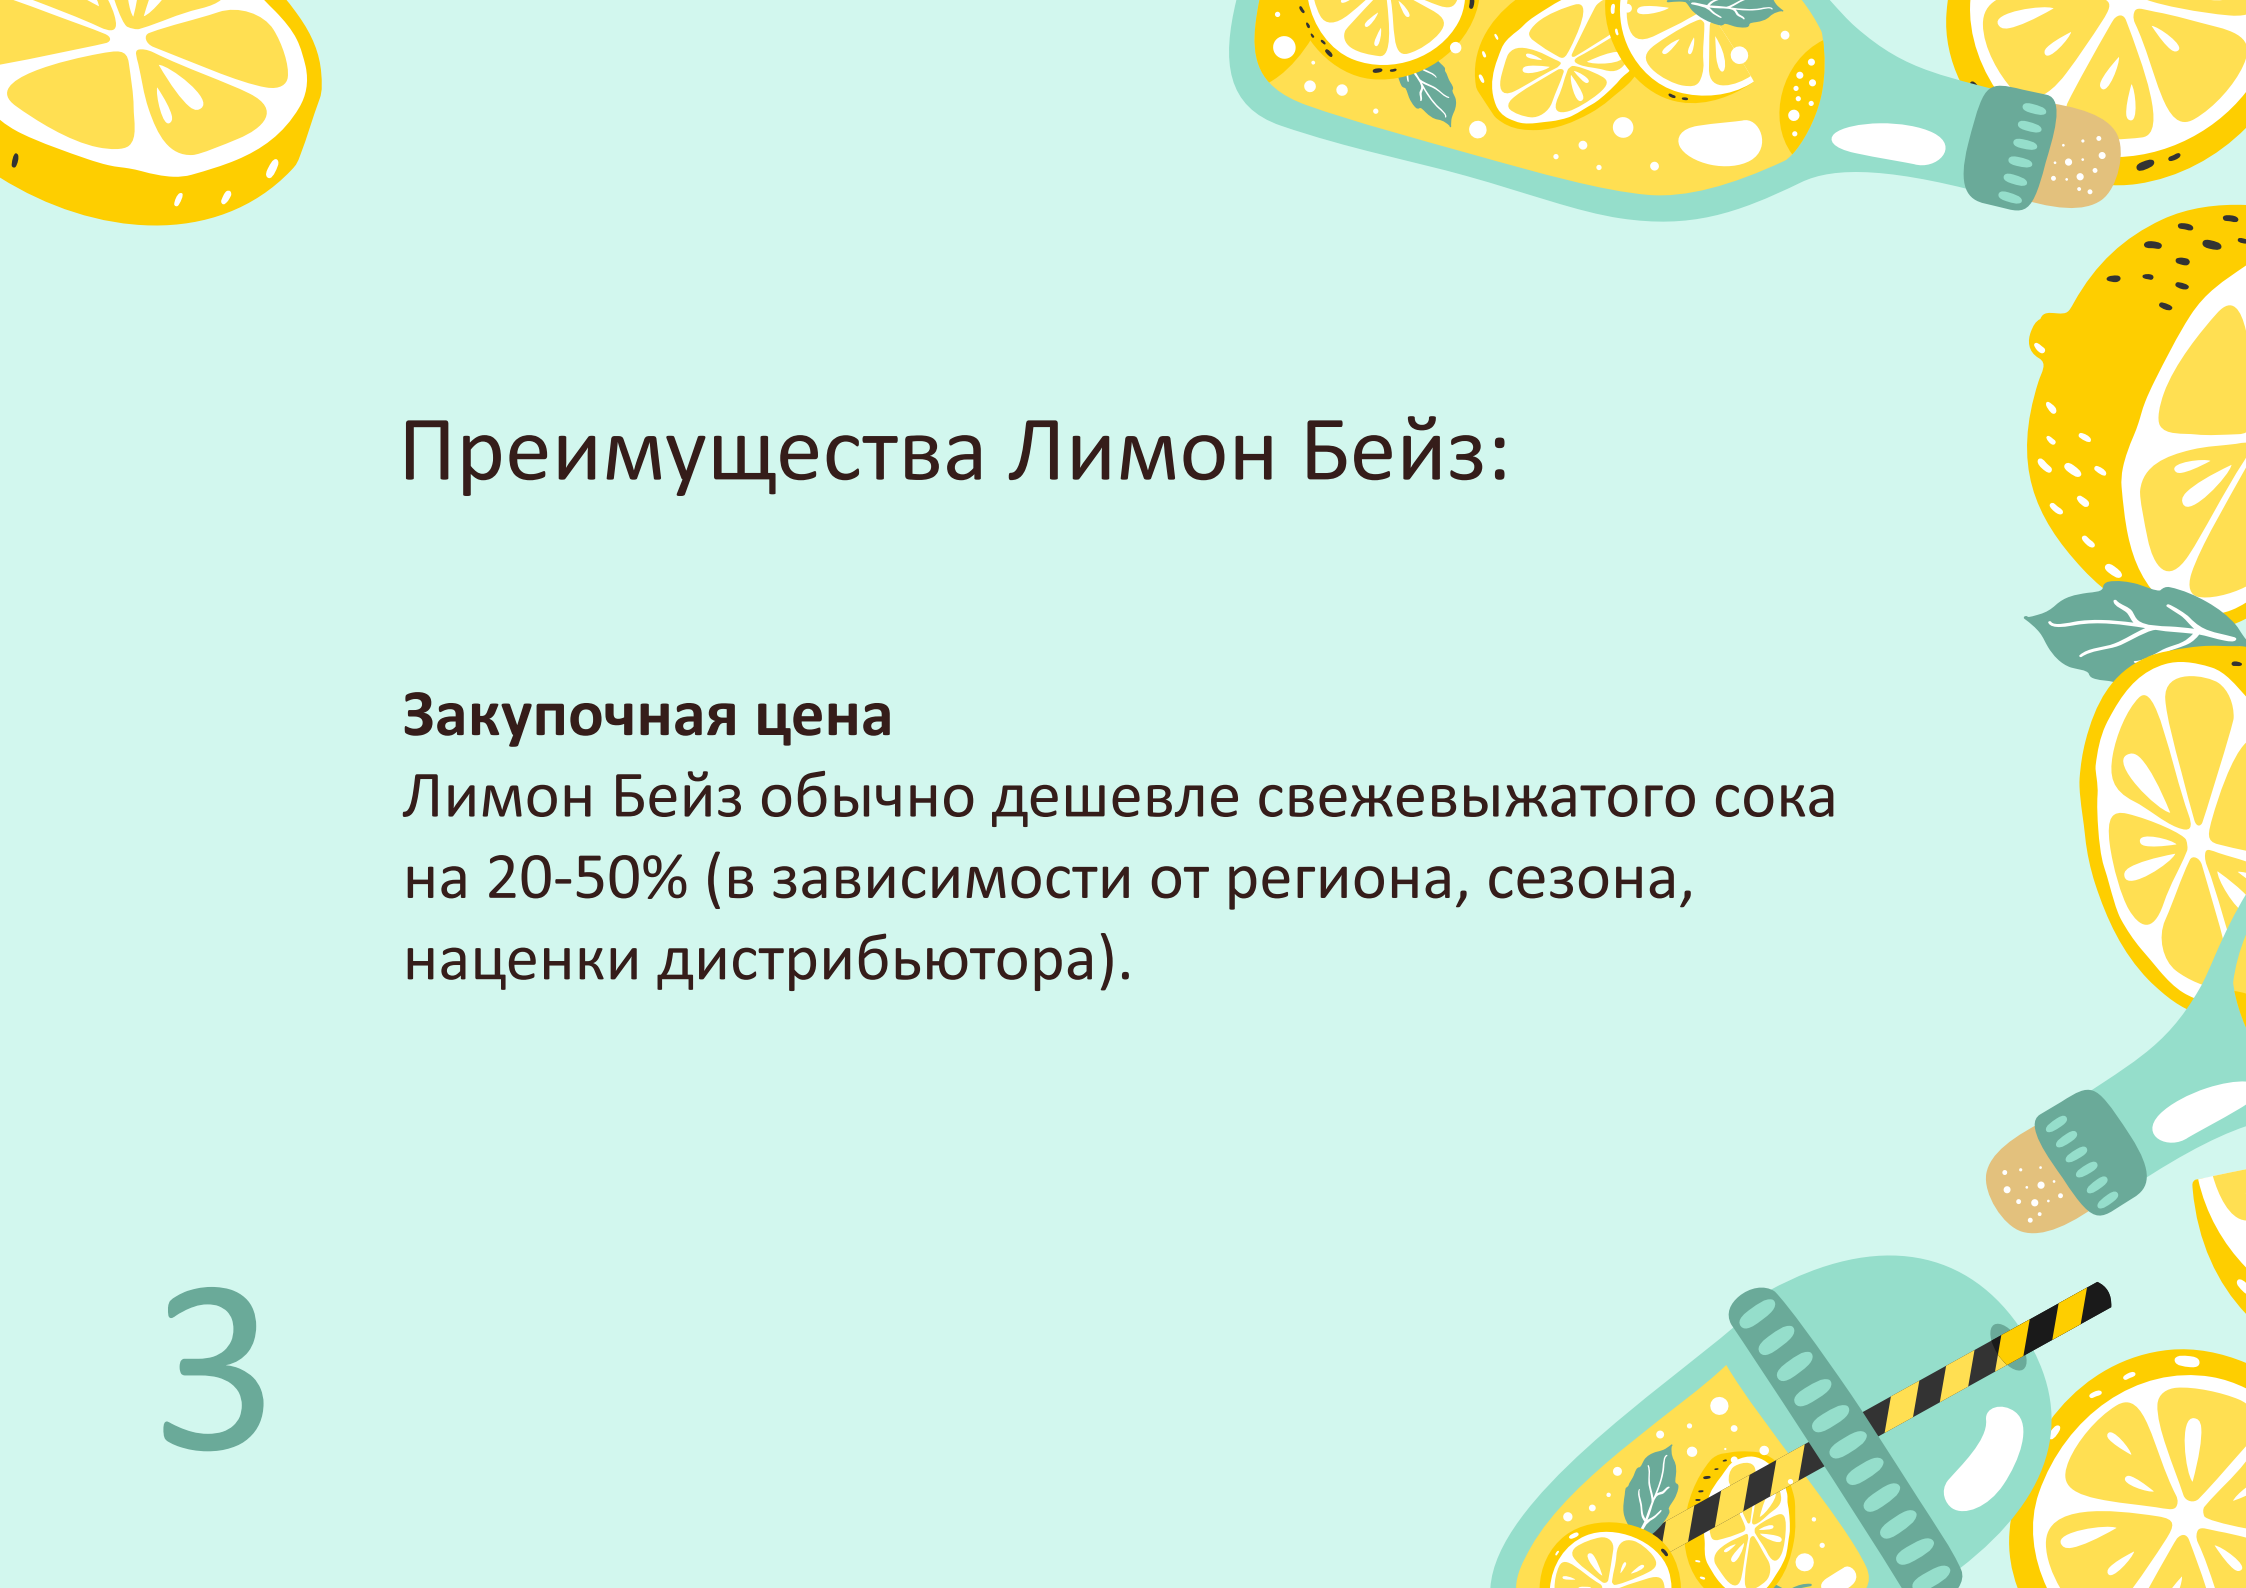

Лимон Бейз всегда готов. В отличие от свежевыжатого сока, его не нужно отжимать, фильтровать и мыть испачканное оборудование.

Преимущества Лимон Бейз:

Аналогов нет

По результатам «слепых» коктейльных и гастрономических дегустаций Лимон Бейз неотличим от свежавыжатого лимонного сока. Все конкурирующие продукты, в том числе иностранного производства, обладают грубым «химическим» вкусом.
